The hirer agrees to pay Fuzzy Duenkel **\$500**, with one half (\$250) as a retainer at least two weeks in advance, and \$250 due at the event.

Note: We require at least one night of lodging expenses to be covered.

(Someone's house is fine with us... and will save you the lodging cost.)

Live Shoot Requirements (NO EXCEPTIONS):

A maximum of **FIVE** attendees. (including the host)

ONE MODEL, not your son or daughter*,

and the model should be **17-21** (unless this is a boudoir shoot).

I HIGHLY RECOMMEND that the event be held at the model's home.

Group lectures (not shooting) have no attendee limits, nor will we use a model.

****I need to approve the model ahead of time. Send me images of the model before the event.***

The organization or hiree agrees to not hold Fuzzy Duenkel responsible or liable in the event of an unavoidable or uncontrollable problem, such as sickness, inclement weather, or if the hiree cancels the event. In such case, the \$250 retainer is not refundable.

None of the above stipulations are negotiable. Since I'm agreeing to work for this special low price, I must insist on these requirements.

We'll need the model's and attendees' names and email addresses so we can send finished files after the event. This need not be supplied to us until the event.
